The Central Oregon Contractor Contact Booklet

A vetted list of contractors I've personally worked with on my own renovations — compiled so you're not starting from a cold Google search.

This list reflects contractors I've used directly or had vetted by trusted clients across Bend, Redmond, Terrebonne, and La Pine. It's a starting point, not an endorsement contract — always confirm licensing, insurance, and get a written estimate before any work begins.

QUESTIONS ABOUT A RENOVATION OR REPAIR?

I'm happy to talk through a project, a quote you've received, or whether a renovation is worth doing before you list or buy. No pressure, no pitch — just honest conversation.
